Peninsula Heritage School offers a unique learning environment to develop undiscovered talents of each student.

Peninsula Heritage

Founded in 1961, Peninsula Heritage School embraces each child with individualized programs to ensure academic success accomplished by talented educators and a rigorous curriculum that is augmented by the arts.

A nurturing place for childhood experiences, Peninsula Heritage's Character Qualities program has won many national awards.

"The Best of the Beach award validates the hard work and care we place on a daily basis in allowing children to be safe, happy, and to enjoy learning," said Pat Cailler, who has been Head of School for 13 years. "We are grateful to our community for recognizing our efforts and achievements."
