

## Peninsula Heritage School Celebrates Fifty Years

A "Fifty and Fabulous" birthday party at the Palos Verdes Golf Club honored Peninsula Heritage School's 50th anniversary as a community non-profit educator for Kindergarten through Sixth Grades. Parents, members of the Board of Trustees, administrators, and faculty gathered to celebrate the School's continued success and to also raise funds for its Theater Arts and Fine Arts programs. Silent and Live Auctions, dinner, and dancing were highlighted with a rousing "Happy Birthday" song and champagne toast to 50 more years of excellence in education.
