Dear Parents of Peninsula Heritage School Students,

As you may know, we have a **Grandparents Club** here at Peninsula Heritage School. At specific intervals throughout the year, we mail our **Grandparents Club Newsletter** to interested grandparents. This communication notes school news items and invitations to our assemblies and special events such as Moms and Grandmoms Day, Doughnuts for Dads and Granddads, and Grandparents/Special Persons Day to name a few.

If you have not already done so, we would greatly appreciate your completing the bottom portion of this paper and returning it to the School Office so that your child’s grandparents can be included in the wonderful events at PHS.

Thank you so much!
