### Peninsula Heritage School Harvest Fair

As families entered Peninsula Heritage School's campus on a recent Sunday for this year's Harvest Fair, they were amazed at the transformation the parent volunteers had created. Overnight, the school campus became a slice of a major amusement park, offering giant rides, games, Tommy's Burger lunches, and delicious treats from the Country Kitchen. Thanks to event Co-Chairs, Christine Pearson and Cindy Waldman, the leadership of the Waldman family and 15/40 Productions Ltd., and the talents and generosity of many members of the Peninsula Heritage community, children of all ages enjoyed a fantastic day of fun and friendship. Proceeds from the event are used to help fund the school's arts and science programs.
