

Peninsula Heritage School

Harvest Hoedown

Parents, alumni, friends of the school, faculty, and administrators of Peninsula Heritage School (PHS) rode over to the Empty Saddle Club for this fall's Harvest Hoedown. The PHS Parent Association Co-Presidents, Kate McKenna and Tristen Moffett chaired this event and were assisted by numerous parent volunteers. The music of Boomer McLennan and the Rhythm Rangers set the country/western theme while children enjoyed the petting zoo, face painting, sack races, pie-eating contest, and two mechanical bucking broncos. Out of This World Catering provided a delicious BBQ lunch, and the Bake Sale satisfied the sweet tooth of many cowgirls and cowboys. Lucky guests cheered as the winning tickets were announced for the Teacher Adventures and the huge grade-level gift baskets. Proceeds from this event will enhance the school's Theater Arts Department as well as the school's new 7th and 8th Grade classrooms on the St. Luke's Presbyterian Church campus across Rolling Hills Road from Peninsula Heritage School.
