

SPOTLIGHT ON THE HILL

Peninsula Heritage School Spring Fundraiser

Peninsula Heritage School's "Denim and Diamonds" Spring GALA 2015 featured internationally-acclaimed artist Gregory Adamson. With bare hands and brushes, Adamson created an amazing work of art within minutes and swung it 180 degrees amid gasps from the audience. Created upside down, his contemporary view of the Peninsula and lighthouse was immediately auctioned at this school benefit. GALA Chair and PHS parent Tristen Moffett and her Committee designed a fabulous evening for Peninsula Heritage parents, faculty, administrators, and friends of the school. Denim-and-diamonds-attired guests enjoyed bidding on both Silent and Live Auction items, dancing, and a delicious catered dinner by New York Food Company. Proceeds from this fundraiser benefit the School's co-curricular programs.
