SPOTLIGHT ON THE HILL

Peninsula Heritage School Spring Fling

The Parent Association of Peninsula Heritage School welcomed spring with a zing at its annual fundraiser in mid-March. The lovely home of parents Will and Lisa Rehrig in Rolling Hills was the site for "Spring Fling," an evening of superb food, wine and beer tastings, and a silent and a live action. Melissa Bradley, Co-President of the Parents Association, worked with her parent committee to create a spectacular evening that featured eclectic tastings from Chef Robert Bell of Mama Terano/Chez Melange, hand-crafted ales from Brouwerji West, wines from Castle Rock and other fine producers, and desserts by Peninsula Heritage parent Ruby Clemmons. PHS parent Rick Bradley joined with Manhattan Beach Mayor and parent David Lesser as auctioneers at the hilarious and productive live auction. Proceeds from the evening will benefit the highly regarded fine arts program at Peninsula Heritage School.
