Summer Indoor Adventures to Health & Fitness Camp

Adventure to fitness is the nation's #1 educational fitness program for kids. Animated video & live action episodes get them exercising, learning, and laughing.

We will explore the above worlds both in present & in historic eras. Included each day will consist of games, activities, gain skills in math, science, social studies, language arts, health, wellness, and nutrition. Each episode is Core-aligned for K-6 grade levels.

Each full-length Adventure video provides 30 minutes of self-paced physical activity, while taking the kids on a fun adventure to a fascinating part of the world each day in a digital format.

There will be enrichment material given including word search, word scramble, episode easy quiz (we will go over together), science experiment, and a notebook full of adventure sent home on Friday.

FUN IS WHAT DRIVES KIDS! This camp will be a lot of fun & learning!!!
