

Shirley Omori

Assistant to Head of School
**Peninsula Heritage
School**

As the Assistant to the Head of School, the Peninsula Heritage School community is very fortunate to have Shirley Omori sharing her talents and experience with our students, parents, faculty, staff, Head of School, and Trustees.

Shirley is a key member of the office team, and is often the first person who prospective parents meet upon entering the School Office. Her superb organizational skills, her inclusive manner, and her peaceful demeanor draw both parents and students to her, as they are confident that their questions and needs will be met with kindness and efficiency.

Shirley holds an Associate's Degree in Early Childhood Education from LA Harbor College and enjoys yoga and long walks on our beautiful South Bay beaches.
